Dear Keytesville Students and Parents,

We would like to thank you for the opportunity to work with you and beside you to make this school year a great one! Our 2017 – 2018 number one Tiger goal will always be to provide the best educational experience we can for every single Keytesville R-III student (Pre-K through 12th Grade), every single day they enter our building, represent our school, or challenge their minds as a Keytesville Tiger. Each child is that important!

Children, regardless their age, must have their basic needs of nutrition, stable care, love, and yes “consistent rules and expectations,” met by parents and their school. By working together and communicating honestly with each other, we can help children succeed. Thank you for keeping the needs of your children “*FIRST*,” that will certainly be the driving force in our leadership. We look forward to getting to know all of you better. It is going to be a busy year full of exciting and fun times. We will set high goals, work hard, have great sportsmanship, and have an outstanding year! Let’s Go Tigers!
